DISCOVER HALMSTAD WITH A BICYCLE

Conditions:

The rent is paid in advance. There are always regular locks on the bike and an additional lock for every 1-2 bikes so that the bikes can be securely locked together for extra safety. The customer renting the bike/bikes is responsible for returning them in the same condition as they were at the time of rental. In the event of theft of a 3-7 speed, tandem, or our 18-speed bike, the value of the bike will be charged, which you can then settle with your travel or home insurance. The bike must always be locked for insurance and theft protection to be valid, and you must provide a police report and the keys to us. If you get a flat tire or if there is any other issue with the bike, return it to us, and you will receive a new one in exchange. For those cycling the Kattegattleden, we try to meet you as soon as possible to fix or replace the bike.

Loss or damage of bicycle accessories:

- Standard extra lock/key: 100:-
- Key for regular lock: 350:-
- Helmet: 300:-

Cancellation terms:

More than 7 days before - **no charge**.

Between 7 days and 3 days before - **50% of the cost** will be charged.

Less than 3 days before - **100% of the cost** will be charged.

The cancellation deadline is at **12:00**.
